

WRTV 6 in Indianapolis has [the latest](#) on Congressman Pence's [endorsement](#) yesterday of Congressman Louie Gohmert's [tax holiday plan](#)

:

*A tax holiday would give Americans more of their hard-earned money to spend, Pence said in a phone interview Tuesday.*

*"This would represent a real savings to Americans that they could count on," Pence said. "It would be money in the pocket of working Hoosiers and, in my judgment, it would be a much more effective way to stimulate economic growth than the spending or the bailouts and the borrowing."*

WIBC has [more](#) :

*"We cannot borrow and spend and bail our way back to a growing economy," Pence argues. "The time-honored method for putting this economy back on its feet is when we give the American people more of their hard-earned dollars to spend as they see fit."*
